ACHIEVEMENTS

UIU Project Show Champion Fall 2021

📅 Dec 2021   📍 United City,Dhaka, Bangladesh

- It's a project competition where we have to make a project in a team of 3-4 members. We made a project named "Course Assistant" which is a web application to manage everything related course/education of a student. We won the competition by beating 20+ teams. Additionally got proposal from our instructor to open a startup with it.

Project ◯

CCNA: Introduction to Networks | CISCO

📅 Mar 2023

- Completed CISCO Certified Network Associate: Introduction to Networks with 90% score.

Badge 🏆

EDUCATION
